Dozers: 35	Other: 2	Total Personnel: 1930		
Cooperating Agencies: Tehama County Sheriff's Office, California Highway Patrol, Pacific Gas & Electric, Tehama County Fire Department, California Department of Corrections and Rehabilitation				
SITUATION				
Current Situation:	<p>The Red Bank Fire continues to burn west of Red Bluff. Firefighters will be fully engaged on the fire line today taking advantage of some favorable weather that brought cooler temperatures and higher humidities. Winds should be fairly light on Sunday. Although the humidities will be higher, the vegetation remains extremely dry and volatile. Terrain and access will continue to challenge firefighting efforts. Our resources will also be assisting on the South Fire, which sits just to the west of the Red Bank Fire.</p> <p>Motorists should drive cautiously and always yield to emergency vehicles that are traveling on and off of the roads and highways. Fire danger remains elevated and everyone should continue to use extreme caution and refrain from daily activities that may spark a wildland fire. <b>"Ready, Set, Go" is a user-friendly</b> website that shows homeowners step-by-step instructions for hardening their homes and protecting their families from the dangers of wildfires. For more information, visit <a href="http://www.readyforwildfire.org">www.readyforwildfire.org</a>.</p>			
Evacuations:	<p><b>Mandatory Evacuations:</b> The areas south of Highway 36 between Tedoc Road and Vestal Road, and between the Shasta-Trinity National Forest boundary and the Four Corners intersection.</p> <p><b>Evacuation Warning:</b> The greater Red Banks Community east of Joint Road located on and from Bell Road.</p>			
Evacuation Centers:	None			
Road Closures:	None
